

NAHAR NEWS | JUNE 2021

Covid-19 Vaccination Drive

At Nahar we ensure that the health & safety of all our employees lies at the core of what we do. Taking the most important step towards combating this pandemic, we organised a vaccination drive for both our staff members & workers wherein we were happy to cover more than 65 workers above the age of 18 years to break the chain of transmission because together we can. In addition to the same, we are committed towards providing free masks, temperature screening, covid-19 awareness training & maintaining social distancing for the benefit of one and all.

Why get vaccinated?

GARG ACRYLICS LIMITED

New Client

Extremely proud to add Garg Acrylics to our esteemed clientele. Established in 1999, Garg Group has grown itself as leading textile giant of Northern India manufacturing yarn, woven fabric and knitwear! Elated to have them on board.

How to ace at Quality products?

As a team we strongly believe that it's never too late to learn! We are proud to be taking part in weekly seminars hosted by our very own Decathlon team, for ensuring Quality Leadership in our company. From resource and skill management to managing non conformities, they have suggestions for everything! Such opportunities not just help us to expand our knowledge but also push us to think out of the box & experiment with change.

Kind Regards
Nahar Family
