

## NAHAR NEWS | MAY 2021

---

**\*Say HELLO to our new WEBSITE\***

We are excited to announce that we are now LIVE with our brand new website. With a focus on what's more important for our customers, our commitment to sustainability & the insides of what we do at Nahar, the new website provides an array of information! We wanted to make the new website faster, easier to navigate, and more user-friendly.

Our goal with this new website is to provide our current & prospective clients an easier way to learn about our products and to browse information based on their own choice. Amongst the new features, the website gives better access to Who We Are, Products, Infrastructure, Clientele & CSR along with a forthcoming Newsletter section where we will be constantly updating our content.

For any questions, suggestions, feedback or comments, please email us!
