

NAHAR NEWS | AUGUST 2021

Partnership with Mobilfox

With the incredible growth of real time technologies & RFID solutions we are proud to partner with MOBILFOX, a next generation fleet manager & tracker. How does it help you? We are now able to provide you 24x7 real time tracking of your orders along with 100% route management for the drivers to avoid any unnecessary delays. With the focus on transparency, it can fetch complete travel histories to & from your factories upto 6 months. Thus, assuring timely deliveries & safety of the end-product.

How it works!

Partnership with SIMA LABS

We are glad to be working with the SIMA team ensuring the health & safety of our workforce along with our contribution towards the environment. First things first, they are certified by the National Accreditation Board for Testing & Calibration Laboratories. We have been tested for temperature control, process emissions, appropriate lighting, noise monitoring, stack emissions at D.G./boiler & drinking water. How does this help you? It ensures corrective H&S & environmental actions at the supplier end of your supply chain.

Analytic Labs Pvt. Ltd.

Check them out!

ROHS Compliant

ROHS stands for Reduction of Hazardous Substances in order to reduce the environmental effect and health impact of electronics. Our materials (outer layer, inner layer, staple pins, ink & gum) have been tested for 10 banned substances by Intertek India PLC including mercury, lead, cadmium etc. Glad to share that we have passed under the ROHS Directive.

ROHS by Intertek PLC
