

# NAHAR NEWS | JUNE 2021

## Behind The Scenes

This month's newsletter is dedicated to the people who run the show! Nahar is lovingly built & maintained by this bunch of fine folks.

## Meet Our Team

## Hear From Our Managing Team

"Our aim is to raise the standards of packaging solutions that are currently

being offered in the market. To this end, we help brands add value by pursuing greener choices which have now become the new driver for us on the quest towards growth, competitiveness & excellence."

"We stand tall on the building blocks of reliability and timely delivery, following a realistic approach to ensure transparency throughout the supply chain. Right at the centre of what we do lies a shared purpose of helping our business grow by assuring our expertise is invested in the right places & managed by the right experts. "
